Thirteenth Edition

Message from the President – Sandra E. Harrison

The Bath Community Library has moved into the renovated South Wing as of February 1, 2014. The first phase of an Art and History Gallery is completed in the corridor just off the Library. This marks the first occupancy within the BHSP building since the closing of the school in 1989.

Significant progress has been made since the purchase of the building in July of 2010. Many volunteers have contributed hours of hard work that has resulted in a first class Library. The committees and supporters of BHSP have much to be proud of. Improvements to the building are evident. In 2011 roof replacement began, it was completed in 2012; the Auditorium Portico was replaced in 2011; restoration of all window sashes that began in 2007 has been completed, and for the first time since 1989 the lights are on in the building and the sounds of life and learning fill the Library. How appropriate that the first Public Library in North Carolina is now at home in the first building built on the BHSP campus.

*What's next? An assessment of where we are and where we are going via Strategic Planning is underway to capture the essence of opportunities that lie ahead to develop expanded services for the community. BHSP's Board is evaluating the potential of future projects in relation to what positive impact they can have on the long-term sustainability of the building, and to serve the greater Bath Community. The public will be hearing more over the next months. To all who have supported BHSP since its inception **THANK YOU. THE BEST IS YET TO COME!***

Building Committee Report

Extra, Extra! South Wing Occupied! As promised the **UGLY DUCKLING** is now a beautiful **SWAN!** The Library Project is completed! The South (Cafeteria) Wing and the adjoining corridor have been transformed. The photographs provided herein show the transformation. Folks who had never been involved in such an endeavor committed to save the buildings in 2005. They stopped the wrecking ball and their successors have stabilized the building. Trust me, this has been a tough road to plow! Each time it seemed the resources were exhausted perseverance won out. Thanks to all who have continued to support BHSP.

BHSP 5K Pirate Run/Walk

Runnin' for the Booty!

On a crisp fall morning, runners participated in the 2013 BHSP 5K Pirate Run. The race was timed and managed by [East Carolina Road Racing](#) and the course [USATF](#) certified. The combined Pirate Run and raffle was a great success with the 5K raising over \$16,000 and the raffle over \$9,500. Over 40 sponsors, both individual and corporate, from Eastern North Carolina, Miami and Marco Island, FL, Red Hook, NY, and Mount Sterling, KY supported our cause. In-kind donations from Hibbett Sports, Texas Roadhouse, Bath Harbor Marina, and East Coast Wings provided our participants with “scallybags” loaded with treasure.

The raffle immediately followed the 5K Awards Ceremony. Tickets were \$50 each or three for \$100 and very generous individuals and companies donated plenty of pirate booty for the raffle -- a .22 Marlin rifle, a bicycle, a fishing rod, 25 bales of hay, fertilizer, mums, two 4 day/3 night getaways to Williamsburg and Table Rock Mountain, ECU tickets, a craft basket, a Halloween Express decoration, a Roy Williams & players signed UNC-CH basketball, a half-day fishing trip, a Google Tablet, a custom wreath, wine baskets, a hand painted nautical table, paintings, an aluminum Drop Rapid hitch, pottery by local artists, and gift certificates for oil changes, restaurants, and landscaping packages.

A tremendous thank you goes out to all of our race participants, our hard working volunteers, to John Taylor and the Bath Volunteer Fire Department, the supportive community, our fund-raising committee, and most of all our in-kind donors and corporate and individual sponsors, without whom we would not have been able to produce the two consecutive annual 5Ks.

State's First Library Moves to BHSP

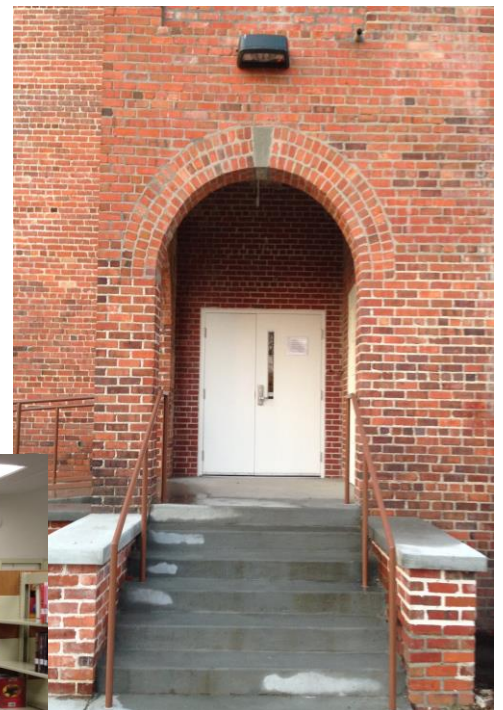

Grants Committee Update

Grants from the Golden LEAF Foundation, Historic Bath Foundation, Eddie & Jo Allison Smith Family Foundation, Marion Stedman Covington Foundation, NC Rural Economic Development Center, Josephus Daniels Charitable Trust, Jonathan Havens Charitable Trust, Preservation NC, the Town of Bath and the National Trust for Historic Preservation were instrumental in restoring the exterior of the historic Bath School and the interior of its South Wing, ultimately making the new Bath Community Library a reality!

The dedication of BHSP Building Committee, including David Johnston, Muriel Moore, Star Credle, Connie Bond, James Russell Boyd, John Baldwin and Sandra Harrison guided the effort to a February 1, 2014 opening of the expanded Bath Community Library in the south wing of the Old Bath High School. All of the hard work of the founders of BHSP to secure the building finally pays off.

If you haven't visited the new library, add a trip to it to your list. The new library is a bright, cheerful place, with lots of natural light. A highlight you don't want to miss -- all of the local history books! With the addition of our first tenant (the Bath Community Library, under the operation of the Beaufort-Hyde-Martin Regional Library System, this makes the restoration of the school a reality. Now, on to the next project!

More oysters, anyone?...

"No, thank you" was the reply from the 300 plus guests who filled Jerol Selby's Farm Shop on Saturday, February 22 for BHSP's 7th annual oyster roast with extras. Great conversations with neighbors and visitors, delicious oysters, soups, hot dogs and desserts were complimented by interesting silent auction choices.

The event takes several weeks of preparation and many, many hours of volunteer labor. Some 25 people set up tables, hung signs, iced beverages, cooked gumbo, steamed oysters and more.

Guests were invited to buy 50-50 raffle tickets to share the money pot and bid on a host of interesting silent auction items.

At the end of the evening the guests, having eaten all they wanted, bid farewell with promises to return next year. And the volunteers got back to work in cleaning up and storing materials to put the shop back into its working environment.

The BHSP Fundraising Committee works extremely hard on this event and could not begin to complete such a gigantic task without the help of many people who support events and activities to support the preservation of the Bath High School. Thank you one and all!

If you missed it this year, mark your calendars and plan to join us for the 8th Annual Oyster Roast on February 28, 2015.

Chicken Wing Cook-Off Benefits BHSP

Bath hosted its first annual chicken wing cook-off for a cause. The event was attended by 30 people who purchased tickets to sample 10 wings- fried, baked or grilled and flavored with a range of sauces from Buffalo style to teriyaki to a sweet creamy bacon sauce. A donation of \$655 was given to BHSP following the event as the recipients of this year's cooking for a cause proceeds.

Blackbeard's Slices and Ices Chef, Byrd Tyson won the event and landed the unique Best Wings in Bath trophy donated by Claudia Alligood of Nameplates.

The Queen Anne's Revenge Traveling Exhibit is coming to Bath!

Bath will be hosting the Queen Anne's Revenge (QAR), one of Blackbeard's ships that sank off the coast of Beaufort, N.C., as a traveling exhibit. The public exhibit will be located at the Visitor Center across the street from the BHS buildings for a six week run arriving June 13 through July 27, 2014.

It started in Asheville and is going across the state with interactive displays. There will be a ribbon-cutting with the *QAR Opening Ceremony* on June 13, a *Pirate Encampment* July 12 & 13 and special *Pirate Thursday* activities for children. The Historic Bath Commission is especially pleased to host a *Blackbeard Art* exhibit in the BHSP Gallery space adjacent to the Bath Community Library. Since we are close to the ECU Conservation Laboratory in Greenville, we would like to consider a *Behind-the-Scenes Tour* and other special events that are still in the planning stages.

As a community, every organization is encouraged to share the opportunities to welcome visitors, host events and deliver Bath's special touch with the QAR traveling exhibit. After all, Blackbeard spent a lot of time in Bath and we hope to see many of you BHS Pirates returning. As you read this edition of *Pirate's Revenge*, we celebrate the transformation of the BHS buildings and new life that comes from being open to the community once again. Come enjoy the Summer events at your home port-Bath! If you want more information, call 252-923-3971 or see us on [Historic Bath Site](http://www.historicbath.com).
