

## **Congratulations to a Great Community**

### **DEED TRANSFER**

Town of Bath to Bath High School Preservation -0.897A, Bath

A milestone in the journey to preserve a part of our county's history has been achieved!

With each bit of history we save, the future grows brighter.

This project began in the Fall of 2004, followed by the NOT TOO FAR GONE event of April 17, 2005. Thank you to all those who signed the petitions, and to the State Historic Preservation Commission along with the devoted individuals like John Wood, Scott Power, and Reed Thomas of the North Carolina Office of Archives and History and Claudia Deviney of Preservation of North Carolina. Also, thank you to Jim Cox, Starlon Credle, Marti Buchanan, Gilbert Evett, Peggy Daw, Betsy & Edwin Grey, Mike Godley, Susan Modlin, Nelda Ormond, Ronald Moore, Melba Edwards, David Everett, Jack Wallace, Rick Nittoli, Harold Cutler, James Boyd, Claudia

### **WE DID IT!!!**

Alligood, Bobby Roberson, Sue Conway, June Wallace, Keith Mason, Thomas Haigwood, Sandra Harrison, Surry Everett, as well as our new board members Jimmy Edwards, Connie Bond, John Baldwin, Carol Persche, Betsy Boxer and the membership of Bath High School Preservation who came together to make the deed transfer on July 16, 2010 a community owned preservation project reality!

Congratulations on saving this historic building from the early 20th Century that has survived and given so much to our community! Built in 1920 Bath School is located in the Bath Historic District and is listed as a contributing property on the National Register of Historic Places, yet another landmark for the oldest town in North Carolina.

**Honor and Glory We Show to You.**

FOR REGISTRATION REGISTER OF DEEDS  
Jennifer Leggett Whitehurst  
Beaufort County, NC  
July 16, 2010 12:43:11  
Book 1724 Page 409-413

Bath High School Preservation invited the Bath Town Council on July 30, 2010 to celebrate the recent deed transfer of Bath High School. It is now a community owned preservation project.

Jimmy Edwards, president of the high school preservation presented a toast to our old school, the many graduates, the volunteers, the members, and the entire community for their vision and commitment. The difference between the impossible and the possible lies in determination, thank you all for making a difference.

Marti Buchanan, who hosted the champagne celebration along with Starlon Credle, Wendy Williams, and John Legelfo lead the group in singing the BHS School song. Dennis and Karen Modlin provided music during the celebration, and Kerry Cox filmed the event for the high schools' documentary. Thomas Ormond, alumni, rang Queen Anne's Bell (at St. Thomas Episcopal Church) several times during the celebration.

Members and supporters then sang the school marching song and dedicated the new sign:

We have much to do together. Let us do it in wisdom and love and joy, and make this the human experience.

### **Two Foundations have Approved \$70,000 in Grants**

The Bath Historic Foundation wrote a check for \$50,000, the largest grant Bath High School Preservation has ever received. And the Marion Steadman Covington Foundation of Greensboro announced that it would match gifts on a dollar for dollar basis, up to a total of \$20,000, for restoring the school's exterior. This is the first large grant from outside the Bath area.

Gene Roberts, grants committee chairman, said the two grants "amount to a vote of confidence from two foundations that we can get the job done in restoring the school. And this will help us raise money from other foundations."

Gene urged BHSP committee members to contribute to Covington match, pointing out that any donations in November will be eligible for a tax deduction for 2010. "Just write 'Covington match' in the bottom left hand corner of the check, where it says 'for'," he said. "Every dollar will count."

### **Committee of 100 Interested in a Portion of Bath High School**

Beaufort County Committee of 100 Chief Executive Officer, Tom Thompson recently proposed to the Bath High School Preservation board a potential use of a portion of the high school that which is not being considered by the Historic Bath Foundation. His primary target area would be used for the curation of artifacts from the Secotan site. It would not require elaborate improvements, but would require structural integrity and creature comforts, such as heating and air conditioning, excellent lighting and of course rest rooms and break rooms. Curation means cleaning, examining, measuring, photographing, and determining the specific origin and use of the artifacts recovered. Because 3,000 artifacts have already been recovered from this site from the 1986 excavation of the Edward Salter remains, there is already an inventory of artifacts that could be curated. At the present time, those are being stored in boxes on a shelf in Raleigh and are not serving any use The cafeteria area seems to be the most likely section of the building that might be used for the curation laboratory.

See COMMITTEE 100, Page 2

**Message from the President**

Since taking this office just a few months ago, I have learned a great deal. Each of you has been patient in teaching me and I thank you. I realize I have much more to learn.

It seems as if much energy is focused on Bath High School. The Bath Historic Foundation has taken a big interest in Bath High School. and rightfully so. They support any historic structure in Bath.

We have a Grants Committee chairman who has world class credentials. Gene Roberts knows everyone and everyone knows him. We have applied for at least six grants by October 15th.

We have other committee chairs who take a real interest in their work and each spends many hours in that work. I thank each of them.

We are steadily increasing our membership. I know that this is important. The more members, the more important the Bath High School Preservation becomes to politicians.

My main objective as president is to get the exterior of the building in first class shape.

I believe the officers and board members of the previous years have put us on the right path. It is my duty to continue that path, so the Bath High School is restored to its rightful place as a monument to our past and a promise to our future.

*Jimmy Edwards*

**Officers & Directors**

**Carol Persche, President Jimmy Edwards, Secretary Claudia Alligood, Vice President / Treasurer Mike Godley, Jim Cox, Marti Buchanan, Sandra Harrison, Betsy Boxer, Connie Bond. Not pictured Surry Everett, John Baldwin, Thomas Haigwood.**

**News & Notes from Committee Chairs**

**Building** — PRIORITY ONE BEING FULL ROOF REPLACEMENT – Structurally securing the Buildings with associated exterior repairs continues to be our top priority. Serious evaluation has begun with vendor quotes. Our goal is to move as fast as possible while insuring that we obtain the highest quality job. This is the FIX to secure the building for the future These efforts continue to be closely coordinated with the Grant Committee and the Board. Thank you to the membership for all your support! .

*Sandra Harrison*

**Finance** — The net proceeds of major fundraisers include \$1661 from Bath Fest, \$1117 from the golf tournament, \$8044 from the Auction, \$10,232 from the raffle. Ornament sales to date are \$3480. Membership receipts were \$7965, Window donations \$1250. Santas \$990. A grant of \$50,000 was received from the Historic Bath Foundation. We have made the first annual payment of \$20,000 on the purchase of the building and owe an additional \$80,000.

*Mike Godley*

**Fund Raising** — February 26 2011, Oyster Roast ~ May 14,2011 Bake Sale. Available are Bath High School 1925—1989... a look back, a history of Bath High School. These books sell for \$25 each, with \$5 of each purchase price going to BHSP. You can support BHS Preservation and do your holiday shopping at the same time. Call 923-5061, 702-9786 or [cwalligood@embarqmail.com](mailto:cwalligood@embarqmail.com)

*Claudia Alligood*

**Grants** — Already, \$11,000 has been raised in matching funds, moving BHSP more than halfway towards the goal. Dr. Ed Clement and his wife, Vicky, pledged \$5,000, Gene and Susan Roberts, \$5,000, and Jim and Melba Edwards, \$1,000.

*Gene Roberts*

**Membership** ~ Welcome to our new members, and thank you to our faithful ones for making this a most successful first-year membership drive. Membership is a "vital" part when applying for grants. We're looking forward to the list doubling for the May 2011-June 2012 year. We encourage everyone to become a part of this important community-owned project.

*Nelda Ormond*

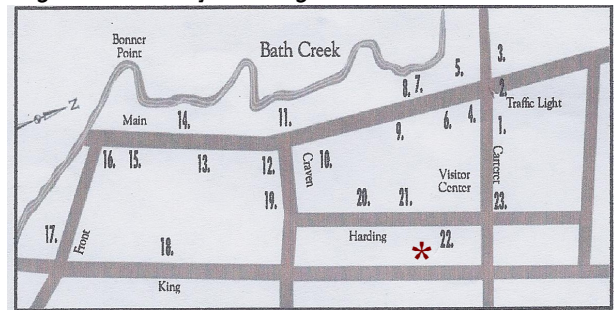

**Special Events**— ~NEWS FLASH~ One and all to ride BHSP Community Float Dec 4-5, Call Marti 923-7501. Lets win another GOLD Ribbon!

**Publicity** — Send information, news items, pictures, etc. for the May newsletter by April 2, 2011. call 923-7501or email [starlone@gotricounty.com](mailto:starlone@gotricounty.com) .

*Marti Buchanan*

**Historic Bath Walking Tour**

Bath High School, corner of Harding and Carteret Sts. Construction began on Bath High School in early 1921 after the unprecedented election of a female mayor and town council. School opened on schedule in the fall of that year and operated until 1989. The School became a cornerstone of the Bath community with large crowds attending sporting events and various school functions. Today the main building is undergoing renovation by Bath High School Preservation. #22

**COMMITTEE 100 from Page 1**

The second phase according to Thompson, would be the improvement of some rooms for storage and a "current dig" museum where last weeks artifacts would be displayed. The third phase would be a renovation of the auditorium to allow for presentations on the Secotan project and related projects such as the reconstruction of Black Beard's ship, the colonial artifacts that would be recovered from the Secotan site and a review of the English/Algonquian Indian interaction in the 16th century. Ultimately, said Thompson, a museum in the nature of that found in Jamestown would probably be built somewhere in or near Bath for permanent displays, but the primary purpose of the Bath High School project would be to allow tourists to have on site access to the curators and the archaeologists as they discover the secrets held by the Secotan site. Improvements would be paid for by the Committee of 100 through grants and would be done on a step-wise basis as described in the priority list above.

## BATH FEST BOOTH

Bath Fest proved to be another great event for the Bath High School Preservation group. On May 15 approximately twenty five loyal supporters prepared cakes, pies, cookies, specialty snacks, and even homemade doggie biscuits to fill our tables to raise money for the school preservation. In addition to our baked goods, Pantego Blossoms donated dozens of peonies that caught the eye of many customers as well. The weather was wonderful and the customers were great. The goods sold quickly and we raised \$1,144 total sales. Ice cream and merchandise booth raised \$517 We wish to thank each and every person who donated their time and talents to this event and we hope that we can continue to count on them in the future for their continued support. Terri Woolard, Event Chair.

## GOLF TOURNAMENT

May 22, 2010, found eight golf teams competing in the Annual BHSP Golf Tournament at the Bayview Golf Club. Sponsors for the event included Patrick Tetterton Construction Co., Old Town Country Kitchen, the Larry Alligood Family, Dr. David H. Elliott, Dwain Woolard, Bayview Golf Club, Wells Armstrong, Muriel Moore, Mike Adams, and 3B Farms. Golfers enjoyed a light breakfast and a barbecue sandwich lunch.

Winners of the championship flight were Mike Adams' team, which consisted of Mike Adams & Chris Martin. In addition to regular gift card prizes for merchandise at the Bayview Golf Club, the winning team received stadium chairs from RA Jefferies Beer Company. The second place team in that flight was Leon Wingate's team, with team members Leon Wingate, Worm Coltrain, Doug Barnes, and Doug Leap. Winners of the first flight were Dwain Woolard's team, made up of Dwain Woolard, Justin Woolard, Dillon Woolard, and Coty Woolard. This winning team donated its prize value back to Bath High School Preservation. Second place team in the first flight was the Larry Alligood Memorial Team, consisting of Chad Alligood, David Elliott, Sam Robbins, and Brian Fields. Two members of the Sammy Marshall team won the drawings for prizes.

Though the proceeds from the tournament were less than hoped for, players had a fun day of golf and fellowship. Bath High School Preservation appreciates all who donated to and participated in this event.

## AUCTION & RAFFLE

"Forty, 40, 40, I've got 35, who'll give me 40. 40, 40, 40. . . sold for 35. Number 75 buys," and so goes the chant of the auctioneer, if you're fast enough to keep up. Such was the sound at the Bath Elementary Multipurpose Room on September 18 as Bath High School Preservation hosted its Annual Auction/Raffle Event. Some 250 people gathered to enjoy hot dogs and barbecue while perusing the wares to be auctioned by Doug Boyd. Barbecue for the event was cooked and donated by Old Town Country Kitchen.

Prior to the auction, the sixth annual raffle was drawn. The prizes for the raffle were primarily donated by individuals who have been long-time supporters of the school's restoration. Preservation purchased a couple of the larger prizes. The lucky winners of the raffle prizes were Jimmy and Connie Bond – three night stay Williamsburg; Sam Matthews – half day fishing trip with Captain David Mason; Becky Tuten -- prissy purse package; Jamie Barnhill – painting by Dolores Morgan; Susan Roberts – blown glass vase by Chip Shackelford; John Spain -- five gallons of Behr Paint; James Boyd -- photography sitting and 11x14 photograph by Beth Niser; Ed Clement – four ECU baseball tickets for a single game; Bob and Maryann Sielski – a four hour ecological tour of the Crystal Coast by Captain Jess Hawkins; Ella Mae Smith – seafood dinner for six, prepared by Teeny Mason and Jane Capps; Jimmy and Connie Bond – Grillmaster gas grill; Griff and Christie Garner – a Wilco Hess gas card, Donald Taylor - \$200 Belk gift card; Carl Smith – two ECU football tickets for a single game; Bob & Jean Mink - home office gift package. Approximately 100 tickets were purchased. Bath High School Preservation greatly appreciates the generosity of the individuals and businesses who donated the prizes for the raffle and the individuals who purchased the tickets.

Approximately 150 items were donated for the auction from area businesses, interested citizens, many alumni and preservation members. Vacations, home décor items, dinners by our area's great chefs, cakes of every kind, lots of artwork, useful services, gift cards galore, food vouchers from area restaurants, gardening supplies, children's toys, and two electronic organs were just a few of the types of auction items that were available for the bidders. Many happy people made some excellent buys and helped the BHSP cause at the same time. The winner of the 50/50 drawing was Sandy Evans. Our sincere thanks to all who donated and all who purchased the donated items. Our cause could not continue without the support of our greater community. The auction netted more than \$7500, thanks to hard work and good support.

Claudia W Alligood

## PADDLE BATH EVENT

The first ever Paddle Bath Poker Run was held on Bath Creek on Saturday, October 9. This event was hosted by the Bath Business Alliance. Over 60 people participated in the poker run with cash prizes for the top three finishers. The purpose was to expose people to businesses in the Bath area. Thank you to our sponsors and Kayakers we look forward to the second annual Paddle Run next year. The Bath business alliance hope to sponsor new and exciting events in the future.
